

Cumberland County Library System Foundation Names Kathy Snyder, Circulation Assistant at the Amelia S. Givin Free Library, March 2024 Employee of the Month

Mechanicsburg, Pa. – Kathy Snyder, Circulation Assistant at the Amelia S. Givin Free Library in Mount Holly Springs, has been named Employee of the Month for March 2024 by the Cumberland County Library System Foundation.

Employee of the Month nominations celebrate outstanding customer service. Exemplary Library System employees are nominated by their peers. Kathy Snyder was nominated by her co-worker Quin Hock, who stated, "Kathy is always looking for things to do at the library and is willing to do whatever is asked of her. When she has an idea that she believes could improve our collection or make things better for patrons, she is not hesitant to voice her idea. She has a good rapport with patrons and is patient with the children who come in the library needing help."

Library Director Cynthia Stratton Thompson adds, "Kathy has worked here at Amelia Givin Library for over 5 years, after many years as an elementary teacher. She is a friendly face at the circulation desk, providing great customer service to people of all ages. Kathy is a dedicated and hard worker, always looking for extra things to do when more routine jobs are done. She is willing to do whatever is needed, which is especially appreciated in a busy small library."

The Amelia S. Givin Free Library is a member of the Cumberland County Library System, which provides technical, financial, administrative, and training support to the public libraries in Cumberland County.

The Cumberland County Library System Foundation started recognizing Library System Employees of the Month in July 2022.
